Alex Ristovski

Luke Phelan

# THANK YOU TO OUR **SPONSORS**

The club committee, members and players express sincere thanks to our sponsors who contributed greatly to the success of the club with their financial support for the season.

Sponsorship is used to pay for a variety of club expenses, in particular trophies and the annual report which are two of the largest expense items for the club. The generous contributions from our sponsors give us the ability to keep your registration fees the lowest in the district so every member benefits directly. All members are encouraged to give a little back by supporting our sponsors where ever possible.

# PRESIDENT REPORT

I was elected as President in 2018 and will be standing down as of today. Therefore, I would like to take this opportunity to recap the past 4 years in a brief summary of our achievements.

We developed Policy and procedures. With the help of Mark, Rosie and Jayne, we managed to develop several policies. And finalise the club's constitution to help steer the club into the future. We have also developed by-laws to assist in the club's governance.

We Celebrated our 40th year anniversary, by acknowledging the founders of the club, previous life members and by giving back to the community. We held our community celebrations at Robert Thompson Reserve, our first official home. We followed up with a special event at lightning park clubhouse, with Michael Prior (our first AFL/VFL recruit) addressing special guests. The guests consisted of several inaugural members and life members, some of whom were visiting our new home for the first time.

We proceeded to Relaunch the club. We surveyed the members about the merchandise, because at the time we had moved towards a blue and gold type look. The members categorically said they wanted the brown and gold. So, we reverted to the traditional colours and merchandise sales have significantly increased. Something that Alison Whittell has since accelerated, thanks for all your hard work, Alison.

We revamped the website and our social media platforms. We now have a very active/interactive Instagram, Facebook and Website. And thanks to Joanne, Sophie and particularly Charlie for really driving this activity and interaction with our members, and broader football community.

We set out to develop a female football pathway. In the early days a lot of the work was done by Phil, Dale and Sarah, which set a solid foundation for us to build on. In the past 4 years we have worked hard to become a destination for female football, not just a host club. We have managed to work with the City of Bayswater to retrofit changerooms, to make them more female friendly. This year we successfully fielded a girls' team in every age group, largely due to the tireless work by Charlie, Jason, Alex, Andy and the entire committee. Special thanks to Shae for all his hard work behind the scenes making things run smoothly on Friday nights.

Reconciliation. We were one of the first clubs to launch an indigenous strip. The design tells the story of the club's origin, with Alan East as the inaugural president, linking to the committee, members and community. We launched Yelka (the Noongar name for Hawk), which has been a great hit with all, particularly the kids. Yelka has been embraced due to Cozza's hard work and antics. Looking forward to seeing what Yelka gets up to next, thanks again Corey. Clubs have since followed our lead in naming their mascots with Noongar language. Reconciliation is not just about embracing this wonderful culture, that's the easy bit. We need to continue to call out racism in our game and community. There is a lot we cannot control, although we can control what happens at our club, and we can also call out what happens outside our club.

Canteen revamp-We received a Health Way grant which supplied a water cooler, new fridge and sandwich maker. Joanne has also reinvented the canteen menu, which has exponentially increased revenue, which isn't surprising when you hear other club committee members bring their families on Friday nights just to have diner from the canteen. Thanks to Nicole, Ruby, Georgia and Anna for your assistance.

Equipment and facilities. We have managed to renew several the playing jumpers and equipment, like gazebos, footballs etc. And with the successful scoreboard grant, we now have a state-of-the-Art electronic scoreboard, which not only enables us to keep score, we can also use the board for video's and to acknowledge our sponsors. We have installed bifold windows to make better use of the clubhouse and create a connection between the clubhouse and the playing field.

Our sponsorship has been growing steadily thanks to the hard work of Joanne. I would like to take this opportunity to thank our major sponsors Galleria Toyota, Prestige Property Perth, Shed and Homes Malaga, Hawaiian Noranda. Please support our major sponsors, they are critical to the club's success.

Our hard work has been recognised by the Central Conference, by being awarded Mods Club of the year for 2021. Which is largely due to our coach's coordination Scott for mentoring and guiding the Mods coaches. Some individual awards like Kylie's threepeat of Auskick coordinator also require special mention, what a great achievement Kylie. We have worked hard on the Auskick space, whilst building a pathway with the Noranda Senior Football Club. To the point were we not only have a pathway for our boys and girls, we have a number of the senior members like Frank, Les, Chad and Steve Uust to name a few) now coaching our Auskickers.

Upon reflection we have achieved so much in a short period of time under unprecedented circumstances. Which brings me to my final point. None of the mentioned could have been achieved without the hard work and support of so many people. My biggest gratitude goes to my executive committee. Rob, you have always been there to assist in all aspects, however it's your counsel that has been the greatest asset. Claire, you came on board, and we were faced with a number of registration and rule changes, which you have navigated perfectly and professionally. Setting up everything up to make it far easier for the next registrar. To my secretary Joanne, and Vice President Shae, you both have worked tirelessly behind the scenes on so many things and have both also provided excellent counsel during some difficult decisions. We couldn't have achieved so much without you.

In summary so many people are responsible for this club's success. I would like to thank all the volunteers on the front line. Thanks to the team managers, coaches, canteen volunteers, runners, first aiders, goal umpires, boundary umpires etc. The club is a far better place with you all.

On a personal note, I have thoroughly enjoyed my tenure, made some lifelong friendships, and look forward to seeing the NJFC flourish into the future.

Yours sincerely

**NORANDA JUNIOR FOOTBALL CLUB**

**Mark Micallef**

Absent: Audrey Sjepecevic, Justin Parfitt, Max Plant, James Padretti

# COACH'S REPORT

Coaching our first-ever Auskick team was an experience that filled us with a lot of joy and happiness. To watch these young kids start from a low base and then develop their skills the way they did, was a pleasure to be a part of. Special thanks to the club for the opportunity and to the parents who were very much part of the improvement.

# COACH'S REPORT

What a pleasure it has been coaching these budding young AFL players these last two years. Watching these boys and girls develop their football skills each week is something that brings me great joy. Seeing them turn up with massive smiles ready to train the house down just makes my day. The Noranda Football Club has always been such a special place and it is nice to be surrounded with such quality people that all share a common goal.

**Steven Collins**  
*Year One Coach*

---

# ASSISTANT COACH REPORT

Season went well. The kids skills and confidence was really beginning to show halfway through the season. At the halfway point we seem to of lost a couple of kids, but also a couple new kids joined.

Probably 50% of the kids were ready to tackle from early on in the season and was hard trying to explain that to them.

As an overall they adapted to the drills and instructions when explained and showed willingness and enthusiasm to learn the game.

**Trav Wilson**  
*Year One Assistant Coach*

# COACH'S REPORT

I was happy with the way things went, wasn't too sure what I was doing but was happy to have you guys there helping. I felt the season went well and I asked Weston for some criticism and he just said "the weather" so no issues from us. The kids will be happy to be progressing to the next stage and playing games. I really like the club and the way it's set out down there so looking forward to bringing Weston back next season.

# COACH'S REPORT

Season 2022 was a huge success for YR3 Mods Boys.

We saw amazing development in all our players from where they were in Auskick last year, but more importantly we saw a little team be born. We worked around our pillars of respect for the game, each other, umpires and our supporters. And I'm so proud to say the boys did this more than we could ever have imagined. The boys became a very tight knit group, showing wonderful support for each other, and that was reflected in some of the pictures taken during games.

Our goal was to be graded with the stronger teams, and "ticked that box" which was great reward for our boys, the stronger competition enabled us to identify where we could improve, and after some adjustments at training, we became a very strong side.

Our families gave us incredible support, whether it be home or away, we had big crowds that brought loud voices (not nearly as loud as the coaches) which pumped the boys up, when the big cheering came, the boys always lifted, making great tackles, hitting the contest with wonderful courage, and kicking some fantastic goals! We were never short of help from our parent group, and I can't thank them enough for that.

The sky is the limit for this group, as a club we can be super proud of the way our youngest Hawks took flight.

# COACH'S REPORT

This was my first year back coaching after taking a couple of years off and to say I thoroughly enjoyed it is an understatement. We had 14 boys play this year and they really started to understand their strengths and weaknesses.

The boys played to the strengths, and we worked on their weaknesses. Towards the end of the year, they grew individually and as a team. This was highlighted when we were able to win against a team that had beaten us twice previously the joy on their faces is something I will never forget.

This year he had one boy kick 7 goals in one game and a couple of boys who kicked their first goal ever. I am excited to see what this group can do in 2023.

Last but not least of all I would like to thank the club, the committee, all the volunteers and the parents for a great year of football.

Clint Muir

# COACH'S REPORT

This was my first year coaching at any level, I thought I was in over my head, but now I cant imagine my life with out these wonderful young girls running around lightning park.

I believe we started off with just 6 girls, which eventual grew into 14 by midway through the year. A lot of who had never touched a footy before. Their effort and passion for the game clearly showed they all wanted to be there playing for the Hawks.

Their skills improved over the year and we went on to finish with 3 wins for the season all of which the girls were ecstatic with.

I cant wait to see this team grow over the next few years and I am looking forward to coaching again should I be given the chance. Bring on 2023!

Kind Regards

# COACH'S REPORT

This was our last year of playing modified footy and they were more challenged than previous years due to being graded and placed in the A division. This brought some mental challenges too as they were playing against only 3 other Clubs all season and for first time in years they weren't winning every game. This gave them some valuable lessons to learn new skills which will give them good placement for their first big league games next year.

With Covid rearing its head during the season we as usual were thankful to our parent group who volunteered to step in and share the load wherever needed without complaint. We're looking forward to 2023.

SPORTS IN FOCUS

# COACH'S REPORT

Season 2022 for the year 7 Hawks team marked year 1 of the competitive game, now competing for a win, to be top of the ladder and a hopeful premiership at the end of the year. We were blessed with a couple of new players that were returning to the game or ultimately new, and the support of an assistant coach.

We started the grading games short on numbers due to covid impacts or injury, having to even up each of the 5 grading games, but we were exceptionally competitive.

At official season start we had a full team, fitness levels improving each week, players were gelling & gaining a heightened appreciation of the game plan, their roles and the impact they could have in the team and on this great game.

Throughout the regular season, all games were very competitive, with the Hawks team being able to celebrate by singing the Hawks club song each and every week. The Hawks were united, loved the game, enjoyed the competition and many tough games, played with a great team and game spirit that the coaching crew and club are very proud of.

The Hawks year 7 team finished the regular season on top of the ladder with a historic undefeated record. We entered the qualifying final ready to play and successfully won a straight path into the GF.

The GF, whilst a narrow loss was disappointing, we played 4 tough quarters, with only scoring shot less than our opposition. For our first competitive season we had a fantastic year and one that we are proud of and have learned from in preparation for a 2023 assault.

Overall it was incredibly pleasing to see our Hawks year 7 team maintain a division leadership position.

There is no doubt season 2022 was an enormous year, we look forward to the summer break and the 2023 season.

Thank you, GO HAWKS

Absent: Anya Watkins, Mia McLaren, Sienna Swords

# COACH'S REPORT

Season 2022 was a big step forward for the girls over last year. After last year getting the feel for playing for premiership points, this year the girls really wanted to put results on the board after all the hard work they had been putting in over the previous 2 seasons.

After the first 5 grading rounds we understood the lay of the land and what needed to be done and from there it didn't take long for the results to happen. We had some new and very talented girls enter the team and it wasn't long till the wins started happening. The girls managed to round out the regular season finishing on top and looking towards their first final series. We knew the first final was going to be a tough game and it proved to be with the girls going down in the final minutes of the game but this only drove them for the Preliminary Final the week after. With the pressure of a must win game and having got off to a slow start, the girls dug deep to turn around a deficit at half time to win in one of their best victories they had been part of. The stage was set for a great Grand Final between the two top teams and the game lived up to it. Unfortunately it wasn't our day but as a coach I couldn't have been more prouder of the way the girls took on the challenge of the season. The improvement each season from this group is amazing and it will be exciting to see where next year will take them.

A massive thank you to the parent group for helping out this year and cheering the girls on at every game and to Charlie, Jade, Alex and Andy for helping out in the coaches box for the season.

# COACH'S REPORT

Season 2022 was a different one for our senior girls this year with a whole series of first. It was the first time both Noranda and Coolbinia would field a combined girls side, the players on the field increased from 15 to 16 a side, 2 new coaches and we had the first A and B divisions in the Metro League.

After the regrade period we found ourselves in A division and rightfully so, the skills the girls had shown and how quickly they bonded showed we were above the B division teams. With a very talented team of Rogers and State girls entering our competition the task was not going to be an easy one. With this in mind the goal was set to see how far we could go in the finals and try and prepare ourselves the best we could. This was achieved with the team winning the first final before going down in a close one in the Prelim. As a new coaches for this team both Mark and myself could not have been prouder of how the team came together at the start of the season and embraced the merge, they gave it their all and had a fun time doing it.

This team was able to work so well thanks to Emma and the Coolbinia team, it couldn't have gone any better. Thank you to Lauren for being our manager for the year as well as the parents that helped out with all the duties whether it be medic, runner, goal umpire, doing the votes or packing away grounds. We really appreciate it and can't do it without your support.
