THANK YOU TO OUR SPONSORS

The club committee, members and players express sincere thanks to our sponsors who contributed greatly to the success of the club with their financial support for the season.

Sponsorship is used to pay for a variety of club expenses, in particular trophies and the annual report which are two of the largest expense items for the club. The generous contributions from our sponsors give us the ability to keep your registration fees the lowest in the district so every member benefits directly. All members are encouraged to give a little back by supporting our sponsors where ever possible.

PRESIDENT REPORT

As the 2024 season comes to a close, I wanted to take a moment to reflect on the year. We experienced a drop in registrations, which impacted our team numbers. However, despite this, we were still able to field 11 teams across both boys' and girls' competitions. Among our 5 Youth teams, the 9/10 girls and 11/12 boys made it to the finals. Unfortunately, the girls narrowly lost to Coolbinia in a close preliminary final, while the 11/12 boys brought home another premiership to the club. For some of these players, it's their 4th premiership in 6 years of youth football—an outstanding achievement.

The future of our club looks bright, with Auskick numbers growing again this year, surpassing 100 for the second consecutive year. Credit goes to Shenae for her fantastic work in driving this success.

Financially, the club is finishing the year in a strong position, increasing revenue and securing our financial stability for the seasons ahead. This has been achieved thanks to hosting several significant events over the past two seasons. Last season, Noranda hosted both the Auskick Gala and Festival of Footy Days. This season, we saw the return of the Volunteers AFL 9's competition, which we have hosted since its inception. We also held a successful Music Bingo night, and most recently, we hosted 8 Grand Final games to close out the season. These events generated significant funds for the club but required immense planning and effort from our volunteers and committee. I cannot thank these individuals enough for their dedication.

A huge thank you to all our sponsors this season. I would like to give a special thanks to Galleria Toyota who helped support our initiative this season to get all our youth players club bags which turned out great. Also I would like to thank Sheds and Homes for their support in helping us purchase new goal posts, this was also well supported by Paywise who are a sponsor for our senior club. Noranda Meats for supplying us with our meat raffles this season. This support along with our other sponsors, Hawaiian Noranda, Bakers Delight, Lake Bricks and Cartage, Noranda IGA as well as Amber Jade Sanderson have been massive for our club and we thank you.

As mentioned at last year's AGM, this will be my final season as President, and I have many people to thank.

First, I would like to thank this year's committee: Jen, Mel, Jo, Shenae, Charlie, Alex, Rob, and Andy. You have all supported me during my time as President, and for some of you, since I first joined the club. Jen, your events this year have been fantastic, not only for the players but for us adults too. Mel, thank you for your ideas and coaching efforts with our 3/4 girls. Shenae, you've done an amazing job with the Auskick program. Alex, your IT skills have been invaluable, especially with registrations. Rob, your knowledge of

the club and its history is irreplaceable, and your service is legendary. Jo, you've created the best canteen menu junior footy has ever seen—worthy of any café or 5-star restaurant! Andy, as my VP this year, you took on so much when I couldn't be around, and I can't thank you enough for that.

I also want to thank Mark, our former President, for his guidance and his continued willingness to help when needed. I'm grateful for the trust he placed in me to take over the club and also as a coach many seasons ago.

A special thank you to my wife, Charlie, for everything she has done for me, not just this season, but throughout all the seasons. She wears many hats at the club, excelling in every role—Secretary, Team Manager, Female Football Coordinator, Team Manager Coordinator, and Social Media Manager. I couldn't have done this without her support, both as my wife and as a vital part of the club.

To all the coaches, team managers, and volunteers who have contributed this year, thank you for your time and dedication. Football clubs don't function without volunteers and the support of the community.

I have thoroughly enjoyed my time at this football club. The people I have met here have become lifelong friends, and the opportunities I've had have been incredibly rewarding. I will always be grateful for my time at Noranda.

I wish the club all the best for Season 2025 and beyond.

Yours sincerely

COACH'S REPORT

From the start of the season, it was heartwarming to witness the children's development—both as individuals and as a team. At first, many were unfamiliar with the positions on the field, but as the weeks progressed, their understanding improved.

A highlight of the season was our participation in the half-time game at the East Perth WAFL match. It was a fantastic opportunity for them to experience the thrill of the game and be a part of the atmosphere.

Teamwork was a core focus throughout our season. The importance of working together was emphasized in every drill, reinforcing the idea that success in football relies on communication. The kids embraced this concept, learning how to support each other both on and off the field, which strengthened their friendships and built amazing team spirit.

Another memorable event was the Mother's Day Mums vs. Kids game. Watching the kids take on their mums was not only fun but also a great way to celebrate the community and the bonds formed throughout the season.

Overall, it has been a rewarding season, watching the children's skills improve dramatically—from their kicking and passing techniques to their understanding of the game. I am incredibly proud of each player's growth, both in their individual capabilities and their ability to work as a team. As we wrap up this season, I am excited to see how they continue to develop and nurture their love for the game in the future. Go Hawks!

AUSKICK ONE

COACH'S REPORT

As the coach of the Noranda Hawks Auskick Year 1 team, I am thrilled to reflect on what has been a truly rewarding season. This year, our young athletes not only developed their football skills but also showcased remarkable growth in their social skills and teamwork.

Throughout the season, it was amazing to witness the children grow in their interactions with one another. They learned to communicate effectively, share, and support their teammates. The focus on respect and sportsmanship gave us a positive atmosphere, where every child felt valued and motivated to participate.

A special thanks to our amazing parents, whose support and enthusiasm made a significant difference. Your involvement each week, whether through assisting with activities or cheering from the sidelines, created a great community spirit.

This season saw excellent communication between the club and coaches. Regular updates and open channels for feedback ensured that everyone was on the same page, allowing us to adapt and improve as the season progressed. I appreciate the efforts made by the club to facilitate this collaboration.

One of the highlights of the season was our participation in the gala day. The children had an absolute blast, and it was so good to see them showcase their skills and enthusiasm in a fun, friendly environment. Given the positive feedback and the joy it brought to the kids, it would be great for WAFC to host more than one gala day next season. This would provide even more opportunities for the children to engage with other peers and develop their skills in a festive setting.

In conclusion, this season has been a success thanks to the dedication of our young players, the invaluable support from parents, and the effective communication within our club. I am proud of what we have achieved together and look forward to building on this foundation next season. Here's to many more successful years with the Noranda Hawks!

AUSKICK TWO

COACH'S REPORT

What an amazing way to finish Auskick for our year 2's, the Rookie series and festival of football let our little one's display everything they have learnt. The kids had an absolute blast and all enjoyed the experience.

I believe Our Auskick program at Noranda was the perfect introduction to AFL.

I thoroughly enjoyed coaching such a great group of kids, thankyou to everyone that helped this season.

Now onto Year 3.

THREE

COACH'S REPORT

Dear Noranda Hawks Family,

What a fantastic year it has been for our Year 3 Mods junior football team! I am happy to report that our players not only showcased incredible talent but also demonstrated tremendous growth throughout the season.

Season Highlights:

- **Undefeated Record:** Our team had a remarkable undefeated season. This accomplishment is a testament to the great teamwork displayed on and off the field. Each player brought their unique skills to the game, contributing to our overall success.
- **Growth and Development:** Throughout the season, we witnessed significant self-development in every player. Each week, our athletes pushed their boundaries, improved their skills, and supported each other making our team bond strong.
- **Standout Players:** I would like to give special recognition to Jack Prior and Jamie Mahar. Both players showed exceptional dedication and a commitment to skill development. Their hard work and passion for the game have been inspiring to their teammates and have played a crucial role in our success.

Looking ahead, I am incredibly excited about the potential of our team for next year. With the foundation we've built this season, I am confident that we can continue to strengthen our skills and deepen our mateship. These two elements will remain our top focus as we prepare for another year.

Thank you to all the players, parents, and supporters for making this season truly memorable. Your enthusiasm and dedication have made coaching this team a rewarding experience. I am looking forward to seeing what we can achieve together in the upcoming season!

Go Hawks!

THREE / FOUR

COACH'S REPORT

What an amazing experience it has been coaching!

I began volunteering at the club a few years back as a team manager, however when the coach moved up to the next year group I thought it was time to step up for my daughter and the other girls that would form the year 3/4 team. I began the year uncertain if I could coach, if parents would accept and respect a female coach, did I know enough about footy just growing up watching and never playing ... all the usual doubts. I can now definitively say it has been the best year teaching the girls skills, watching them grow as individuals and as a team and feeling my confidence grow.

We were lucky enough to have the most amazing assistant coach, Michael, who supported both myself and the girls through our development. Michael took the girls for individual kicking sessions through the start of the season, while I took the rest of the group to work on their skills. Our team started off as a mostly shy group of girls hanging out in pairs with their friends, most of them not having played football before. We had our first game and I had no idea how it was going to go, we won and I was so proud of their efforts.

The team listen to every pointer we gave them, tried everything we asked of them in games. Each week the girls played they won more and more of their games, I found myself researching what skills I could teach them next or how we could work on weaker areas of their game. Before I knew it we were at the last game of the season ... undefeated, they were so nervous, they didn't want to play badly in their last game, they didn't want to let their teammates down, they set the bar high for themselves and had the drive to achieve it.

Together we soared and finished off with a win.

FIVE GOLD

COACH'S REPORT

Another very enjoyable season from Yr5 Gold. We had players new to footy who got to kick their first goal, which is always super fun. Our returning players continued their development in fine style. Some great wins and a few tough losses. The team played with courage, tenacity and great sportsmanship. As always our supporters showed up in big numbers, and when they cheered hard the boys always lifted. The easiest way to describe Yr5 Gold is coachable, fun and hard working. As a Coach, I couldn't be prouder of them.

Overall it was a good season from Yr5 Gold, plenty of development from all players. It was nice to get the opportunity to play in the indigenous jumpers.

FIVE / SIX

COACH'S REPORT

The year 5/6 girls have had a fantastic 2024. We had a large squad this year, with ten new faces being welcomed to the team. There was also a large group of returning players who were part of the inaugural 3/4 team. It was good to see the comradery build quickly as we started pre season.

For a lot of the players, it was their first time playing full contact. We worked hard over the year on skills under pressure and body positioning.

As the season progressed, the girls became one the most highly skilled teams in the competition. They began running the ball from half back and chaining possessions through the midfield. The girl's efforts were rewarded late in the season when we beat the undefeated top team.

Doug and I have enjoyed coaching the girls this year. Their enthusiasm, cheerful attitude and willingness to work hard has made training and game nights something we really look forward to. Hopefully these girls continue with their footy. If they do, there will definitely be some successful years ahead.

SIX

COACH'S REPORT

It has been quite the ride for our year 6 boys, it was a very tough season but the boys stuck at it and really did improve every week.

I really have enjoyed watching the progression of the skills and game play throughout the season.

We had alot of highlights this season but the biggest ones were the 50th game milestones from a few of the boys. Congratulations.

Thankyou to all the helpers the pitched in all season, I definitely couldn't be coach without you.

Now onto YEAR 7.

SEVEN / EIGHT

COACH'S REPORT

As another season dawned upon us I recall standing at Lightning park on a nice sunny autumn day breathing in the crisp air and thinking of the cold wet lightning park nights ahead of us to come. The lead up into the season started with a struggle forming a 7/8's Girls Team though we managed to get a team together before the season kicked off. This season was a journey as we had a very newly formed team with varying skillsets adding to the dynamics. We certainly had our ups & downs with more than a few training nights consisting of only 2 or 3 players showing up and at times a struggle to make numbers on game day. Though I must say the season ended on a high as our Team finally ended with some consistency and winning a few games, better late than never.

A big thanks to Corey, Andy, Troy and the 9/10 girls for letting us combine our training sessions when our numbers were down.

Jim Papadopoulos
Year 7/8 Girls Coach

COACH'S REPORT

Our season got off to a late start and the boys having really a minimal pre-season preparation due to the late coaching arrangements. However I am very proud of how this group, who started with 8-9 players coming together initially and then developing into a side that when at our best could match it with any side.

There are a number of individuals who developed greatly and we as coaching staff could see this improvement each week. This is the most enjoyment we as coaches have is seeing players improve.

6 Players out of this group were invited and entered U14/15's Talent Pathways with 4 remaining and that is something that everyone should be proud about, as we are.

There is so much talent to work with within this group however talent alone will not give us success, we need to work for it, this is what successful sides do.

Hold you head up and make this drive you next year in being committed to achieving much more.

A big thank goes out to a number of people, firstly to Jake and Raph your assistance this year was outstanding, the relationship you formed with the boys and the knowledge you both transferred contributed to improvement amongst all and they were so lucky to have the both of you involved this season.

To Tanya, Nat, Shayne, Shaun and Graham you all amazing individuals who all put your hand up each week to assist, the side would not have been able to play if it wasn't for each of your efforts throughout the year.

Glen Caton
Year 9 Coach

YEAR 9/10

COACH'S REPORT

The girls were challenged from the start of the season, we had a lot of players that were either playing their first or second year of footy. They had to adjust to a new head coach that had never been a head coach before. Despite their being some struggles early on with a new team and coach the girls kept coming back and work hard for each other. The team gelled well as the season went on leading to us being 1 of only 2 teams at the club that made finals. After winning the elimination final against High Wycombe the girls went up against ladder leaders and eventual premiers Coolbinia in a preliminary final, falling short by only 2 kicks. Thanks to Jason for handing the coaching role over to me after having these girls from the start. Thanks to my assistant Andy and thanks to team manager Charlie for making my first year of coaching as easy as it could be. A great thank you to all the parent helpers throughout the year whether it was being the runner, doing the goal umpire duties or simply just being an extra pair of hands around the club.

ELEVEN / TWELVE

COACH'S REPORT

Now I have had time to have a think and reflect on the season I am so proud of the boys and what we have achieved as a team especially from where we started this year, we had a rough start at the beginning, we had to try and get the year 11s and 12s to play as a team without even knowing each other but I'm confident Chook and I fixed this very quickly.

Going into finals we were the underdogs, we finished 4th in the regular season and just scrapped into the finals, the Elimination Final against Kenwick we won by 85 points, the Prelim against Coolbinia White we won by 64 points, then we roll into the GF against Coolbinia Red and won by 6 points and win the premiership.

I am so impressed with the boys attitude, their work ethic and belief that as a group we could do this, I thank them so much for giving Chook and I the respect to listen, be guided and educate themselves and the younger team members to be better and again win a premiership, for some players they might not feel or see this again.

A few thank you's for our support staff.

Craig, thank you so much!! Mate without you, your support and knowledge I don't think we would be where we are now, the boys respect you so much, I learnt a whole heap from you and I'm greatly appreciated for your assistance, I'll miss our daily 100 messages.

Scott, your assistance on game day especially being the runner was superb, getting the boys up and about on game day was amazing and again I've learnt a whole heap from you mate!!

Ally, thank you so much for running the iPad, tapping and getting the boys ready for game day, I appreciate you so much for your assistance and support, thankfully you had a few extra socks for the weekend.

Andrew, this great man stepped up every week and sat on the bench and assisted being the first aider, your support and passion for our team was greatly appreciated and I hope your back next year mate.

Tam, this lady here is absolutely dynamite, Tam stepped up at the beginning of the season to be the team manager but had to step down due to reasons out of her control, she is the master of oranges and lollies supplying them every week without fail, I think the boys concentrated more on getting to half time then playing so they could pick from the 2kgs of lollies we had, thank you.

Jules, babe thank you for stepping up and becoming team manager when needed, your support for the team, Chook and I was amazing even when we told you our feelings about the 60% game play nearly every game, I feel so sorry for you having to deal with my stress throughout the season but I couldn't have done it without you, GF day was intense so I do apologise if I dropped a few explicit.

To our players, wow boys we did it!!

I am absolutely honoured for you guys to let me guide and coach you, I have learnt a whole heap and I will never forget this premiership, I'll miss the daily messages and it now plays a special place in my heart and memory.

To the parents, your support over the season has been a pivotal part of our success especially on the weekend, the crowd yesterday was huge and definitely helped us get over the line.

To the Year 12s, be proud gents you are leaving the junior club on a high with a premiership, I wish you all the best in your next step to amateur football, if you ever need a chat you have my number.

To the Years 11s, hopefully I get the coaching role again and would love to have you all back playing in 2025, let's give it a red hot crack and go back to back.

I now sign off as a premiership coach and super proud of our amazing side, what a ride, what a journey and the boys dedication has given them the ultimate prize.
